

Talin's Rose

Paddle for Life

From 8am, Sunday July 1st 2012, Rose Bay

Talin's Rose is a charity event to financially support Talin, his family, and in the future families like his, as they courageously battle cancer.

Bring your kayak, SUP board, surf ski, canoe, or any paddle powered vessel you have to participate and raise funds. Or bring along a picnic rug and enjoy our BBQ breakfast with family and friends as you cheer on our Paddlers.

There is a \$30 entry fee for participants to paddle their way along the foreshore in the 3km or 6km routes, or \$40 for participants also entering the competitor's race. You are also encouraged to raise funds from your family and friends to support you as you 'paddle for life'.
