

Registering a team for Dare to Wear Day

The process of registering a team can be a little bit intimidating, especially if you haven't done it before, so we've prepared these step by step instructions to help you get through the process quickly and smoothly, so you can get to the fun part faster!

...

The first thing to do is elect someone as team captain, as sign up a team page via the 'Register a team' link from our [home page](#). Once you have done this, and customised the page with your dare info and photos etc, you can send the following to team members so they can register as individuals and join the team:

1. Click the **'Register Yourself'** button on our homepage.
2. Click **'Sign up now'**
3. Fill out your details and follow the prompts. When you reach the page that asks **you 'Type of fundraising page'** field, select **'Individual'**. Feel free to personalise and add to the Fundraising page message, especially if you already know what your dare outfit is going to be!
4. Change the default image to something that reflects your dare theme or organisation.
5. When you're done click **'Create Fundraising Page'**
6. Head to your team page by heading to our [home page](#) and then clicking on **'Sponsor a Friend'**. You can then search for you team.
7. Click on **'Join team'**.
8. A box will show up with your name and a green button which says **'Join us now'**. Click on the button.

You are now officially registered for Dare to Wear Day as part of your team! Congratulations!
