TIPS 'N' TRICKS

FUNDRAISING IS EASY!

So we have put together some tips and tricks to help you go that extra mile with your Pinkletics 2012 fundraising.

Collection tins

In your Pinkletics 2012 Team Kit, you would have received three collection tins. Get some of your friends to go around on the day and collect donations on the day. Before you know it, those tins will be full!

Online fundraising page

When you registered for Pinkletics 2012, you would have received an online fundraising page. This is such an easy way to raise money in the lead up to your Pinkletics 2012! Just sent the link around to your friends, family, colleagues and ask them to make a donation to your day, they will receive a tax deductible receipt straight away.

You can also connect your online fundraising page with your Facebook and share this with your networks. Fundraising has never been so easy!

Raffles

Raffles are a great way to raise funds and are always popular. Please remember to check with your local State or Territory gaming and liquor body as laws may vary regarding raffles.

Sausage Sizzle

An old favourite at sporting gala days, the sausage sizzle always proves to be a reliable way to ask for donations and it keeps the Dads happy!

Competitions

Everyone can take part in competitions for a small donation. Ring toss, pin the tail on the donkey, shot put or high jump are some ideas to get you started.

TIPS 'N' TRICKS

Guessing Competition

Host a guessing competition for a gold coin donation, such as guess the amount of Jellybeans or M&M's in the jar. This is cheap and simple to organise and the prize could be the lollies!

Donate Canteen Takings

If the centre would like to get more involved they may consider donating a portion or all of the proceeds made at the canteen on the Pinkletics 2012 Day to the McGrath Foundation.

Sponsor the kids

The kids may want to ask their friends and family to beat a certain time or to complete a race they wouldn't normally participate in and a great way to encourage them to do their best and make a difference at the same time!

Remember these are just suggestions, if you have creative idea or fundraising concept make sure you share it with the other committee members. No idea is a bad idea and will all help your centre to reach their fundraising goal.

We also love hearing about your fundraising ideas so feel free to send the Pinkletics 2012 (pinkletics@mcgrathfoundation.com.au) team an email to update us on your plans for the day.

Face Painting

Always popular with the kids and an easy way to raise funds, why not use the pink face paint from your Pinkletics 2012 Team Kit and charge a gold coin donation.

Mini Makeovers

One for the mums, think about having a manicure, hand massage or make up applications and charge a gold coin donation.

Bake Stall

Encourage kids to bake something to bring on the day. This is a cheap and fun way to add another fundraising element and make some extra funds towards the cause – tasty too!

Dress in Pink

Get all the kids to come along wearing a touch of pink for a gold coin donation.

Decoration competition

Have the kids "pink" up their area of the field with pink balloons and streamers. You could provide a prize for the best dressed section as an incentive.
