	- Finish: Katoomba Oval					

The information provided here is based on our experiences only. We make no guarantees of coverage as your handset may differ to ours and there may be service outages that are beyond our control. You should always carry the minimum equipment and follow all emergency procedures as outlined in the event rules.

Optus has between good and patchy coverage over approximately 50% of the course.

Other carriers: We recommend you contact your service provider to find out about coverage in the area.

Note that text messages may get through where reception is poor.
