## Ties For Lives - Community Announcement.

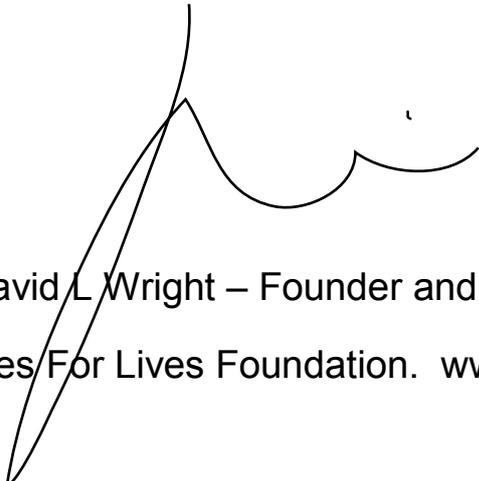

Ties For Lives is a not for profit charity that creates a greater awareness of the single biggest health issue facing young Australians.

Research shows we can best reduce the incidences and effects of youth mental health problems, homelessness, self-harm and suicide through early intervention.

Getting people talking and sharing our message of “Spotting early signs of youth mental health problems” will have a significant personal, social and economic benefit for all Australians.

Please give a helping hand by registering at [www.tiesforlives.org.au](http://www.tiesforlives.org.au) and share our message throughout your community.

Be BOLD out there and Enjoy Life!!
